Who are the Friends?

The Friends of the Donor Family are anyone who supports or is interested in the work of the Donor Family Network. The Friends will be involved in fundraising, events and Publicity for the Network.

What is the Donor Family Network?

The Donor Family Network is run by donor families for donor families. The Network has two main aims, the support of donor families and the promotion of organ and tissue donation.

The Donor Family Network welcomes all donor families to become members of the organisation.

The Network shares in celebrating the lives of loved ones and helps other families who have recently made the gift of organs and/or tissue to see the positive effect that decision has on the lives of others.
