GIFT AID

If you are a taxpayer, using Gift Aid means that for every pound you give, the charity will receive an extra 28 pence from the Inland Revenue, helping your donation go further.

This means that £10 can be turned into £12.80 just so long as donations are made through Gift Aid. Imagine what a difference that could make, and it doesn't cost you a thing.

I would like to make a donation to **The Donor Family Network** of £... using Gift Aid. My details are:

First name _____ Surname _____

Address _____

_____ Postcode _____

Signature _____ Date _____

I would like to Gift Aid all donations I've made to The Donor Family Network since 6 April 2003 and all donations in the future until I notify you otherwise.

To qualify for Gift Aid, what you pay in income tax or capital gains tax must at least equal the amount the charity will claim in the tax year.

Thank you for helping us to support donor families and promote organ and tissue donation.

Please send your donation and completed form to the address below.
