TRANSPLANT GAMES

We attend the British Transplant Games each year which is an opportunity to meet recipients and their families and see the difference that organ and tissue donation has made to the lives of others. The Donor Family Network presented a Donor Family Flame to Transplant UK, the organisers of the Games, and this is lit at the start of the Games each year.

GIFT OF LIFE MEMORIAL

The Donor Family Network's Gift of Life Memorial is sited at the National Memorial Arboretum, Alrewas, Staffordshire, DE13 7AR. The memorial pays tribute to donors and their families, recipients of transplants, those waiting for a transplant and those whose wishes could not be fulfilled. The memorial encompasses three themes: reflection, recognition and remembrance.
